Minimum application amounts are subject to the Australian dollar minimum amounts disclosed in this PDS.

Indirect Investors

If you wish to invest indirectly in a Fund through an IDPS your IDPS Operator will complete the application for you. Your IDPS Operator will advise what minimum investment amounts relate to you.

2. WITHDRAWING YOUR INVESTMENT

- the withdrawal amount in Australian dollars; or
- the number of units to be withdrawn.

We are unable to accept withdrawal amounts quoted in New Zealand dollars. Please note that the withdrawal amount paid to you will be in Australian dollars and may differ from the amount you receive in New Zealand dollars due to:

Indirect Investors

If you have invested indirectly in a Fund through an IDPS, you need to provide your withdrawal request directly to your IDPS Operator. The time to process a withdrawal request will depend on the particular IDPS Operator.

3. MANAGING YOUR INVESTMENT

Distributions

If New Zealand investors elect to have their distributions directly credited, they will need to nominate an AUD bank account held in their own name with an Australian domiciled bank. Otherwise, it must be reinvested. Distributions will only be paid in Australian dollars to such an account. When the distribution is reinvested, New Zealand investors will be allotted units in accordance with the terms and conditions set out in the PDS relating to the units in the relevant Fund. Please see the relevant PDS for a description of distributions and the terms and conditions of the reinvestment of distributions.

The distribution reinvestment plan described in each PDS is offered to New Zealand investors on the following basis:

- at the time the price of the units allotted pursuant to the distribution reinvestment plan is set, the Responsible Entity will not have any information that is not publicly available that would, or would be likely to, have a material adverse effect on the realisable price of the units if the information were publicly available.
- the right to acquire, or require the Responsible Entity to issue, units will be offered to all investors holding units of the same class, other than those resident outside New Zealand who are excluded so as to avoid breaching overseas laws.
- units will be issued on the terms disclosed to you, and will be subject to the same rights as units issued to all investors holding units of the same class as you.

There is available from the Responsible Entity, on request and free of charge, a copy of the most recent annual report of the relevant Fund, the most recent financial statements of that Fund, the auditor's report on those financial statements, the relevant PDS and the Constitution for that Fund (including any amendments). Other than the Constitution, these documents may be obtained electronically from www.cooperinvestors.com.

Processing Cut-Off Times

The processing cut-off times for applications and redemptions referred to in the PDS are Australian Eastern Standard Time (Australian EST) and you should take this into account when sending instructions.

Cooling Off Rights

Cooling off rights may apply to investors in New Zealand. If you wish to exercise your cooling off rights you should contact the Responsible Entity of the relevant Fund. The relevant PDS contains further information about the right that may apply.

4. TAXATION

New Zealand Resident Taxation

If you are a New Zealand resident wishing to invest in Australia, we strongly recommend that you seek independent professional tax advice. New Zealand resident investors will be taxed on their units under the foreign investment fund rules or ordinary tax rules, depending on their circumstances. Australian tax will be withheld at prescribed rates from distributions to non-residents to the extent that the distributions comprise relevant Australian sourced income or gains.

The Responsible Entity has appointed Citigroup Pty Limited ABN 88 004 325 080 ("CPL or Custodian") as the custodian of the assets of Fund. The Custodian's role

CI is a specialist equities fund manager with funds under management of approximately A\$9.2 billion as at 31 December 2024. CI is 100% owned by its employees.

2. How the Cooper Investors Australian Equities Fund works

The Fund is a registered managed investment scheme governed by the Constitution. The Fund comprises assets which are acquired in accordance with the Fund's investment strategy. Direct investors receive units in the Fund when they invest. In general, each unit represents an equal interest in the assets of the Fund subject to liabilities; however it does not give investors an interest in any particular asset of the Fund.

If you invest in the Fund through an IDPS (as defined in the Reference Guide) you will not become a unitholder in the Fund. The operator or custodian of the IDPS will be the unitholder entered in the Fund's register and will be the only person who is able to exercise the rights and receive benefits of a direct unitholder. Your investment in the Fund through the IDPS will be governed by the terms of your IDPS. Please direct any queries and requests relating to your investment to your IDPS Operator. Unless otherwise stated, the information in the PDS applies to direct investors.

APPLYING FOR UNITS

You can acquire units by completing the Application Form that accompanies this PDS. The minimum initial investment amount for the Fund is \$20,000.

Completed Application Forms should be sent along with your identification documents (if applicable) to:

Cooper Investors Pty Limited
GPO Box 5193, Sydney NSW 2000

Please note that cash and cheques cannot be accepted.

We reserve the right to accept or reject applications in whole or in part at our discretion without giving any reason for the rejection. We have the discretion to delay processing applications where we believe this to be in the best interest of the Fund's investors.

The price at which units are acquired is determined in accordance with the Constitution ("Application Price"). The Application Price on a Business Day (as defined in the Reference Guide) is, in general terms, equal to the net asset value ("NAV") of the Fund, divided by the number of units on issue and adjusted for transaction costs ("Buy Spread"). At the date of this PDS, the Buy Spread is 0.20%.

The Application Price will vary as the market value of assets in the Fund rises or falls.

MAKING ADDITIONAL INVESTMENTS

You can make additional investments into the Fund at any time by sending us your additional investment amount together with a completed Additional Investment Form. The minimum additional investment into the Fund is \$10,000.

DISTRIBUTIONS

An investor's share of any distributable income is calculated in accordance with the Constitution and is generally based on the number of units held by the investor at the end of the distribution period.

The Fund usually distributes income semi-annually at 31 December and 30 June however, Equity Trustees may change the distribution frequency without notice. Distributions are calculated effective the last day of each distribution period and are normally paid to investors as soon as practicable after the distribution calculation date.

Investors in the Fund can indicate a preference to have their distribution:

- reinvested back into the Fund; or
- directly credited to their AUD Australian domiciled bank account.

Australian investors who do not indicate a preference will have their distributions automatically reinvested. Applications for reinvestment will be taken to be received immediately prior to the next Business Day after the relevant distribution period. There is no Buy Spread on distributions that are reinvested.

In some circumstances, the Constitution may allow for an investor's withdrawal proceeds to be taken to include a component of distributable income.

Indirect Investors should review their IDPS Guide for information on how and when they receive any income distribution.

New Zealand investors can only have their distribution directly credited if an AUD Australian domiciled bank account held in their own name is provided, otherwise it must be reinvested (refer to the Cooper Investors Australian Equities Fund - Retail Class New Zealand Investors Information Sheet).

ACCESS TO YOUR MONEY

Investors in the Fund can generally withdraw their investment by completing a written request to withdraw from the Fund and mailing it to:

Cooper Investors Pty Limited
GPO Box 5193, Sydney NSW 2000

The minimum withdrawal amount is \$10,000. Once we receive and accept your withdrawal request, we may act on your instruction without further enquiry if the instruction bears your account number or investor details and your (apparent) signature(s), or your authorised signatory's (apparent) signature(s).

Equity Trustees will generally allow an investor to access their investment within 7 days of acceptance of a withdrawal request by transferring the withdrawal proceeds to such investor's nominated AUD Australian domiciled bank account.

However, Equity Trustees is allowed to reject withdrawal requests and also to make payment up to 21 days after acceptance of a request (which may be extended in certain circumstances) as outlined in the Constitution and Reference Guide.

The price at which units are withdrawn is determined in accordance with the Constitution ("Withdrawal Price"). The Withdrawal Price on a Business Day is, in general terms, equal to the NAV of the Fund, divided by the number of units in issue and adjusted for transaction costs ("Sell Spread"). At the date of this PDS, the Sell Spread is 0.20%. The Withdrawal Price will vary as the market value of assets in the Fund rises or falls.

Equity Trustees reserves the right to fully redeem your investment if your investment balance in the Fund falls below

\$20,000 as a result of processing your withdrawal request. We also reserve the right to fully withdraw an investor's investment in the Fund, upon giving 30 days' notice, if the minimum balance amount is increased and your holding falls below the new minimum balance amount. In certain circumstances, for example, when there is a freeze on withdrawals, where accepting a withdrawal is not in the best interests of investors in the Fund including due to one or more circumstances outside its control or where the Fund is not liquid (as defined in the Corporations Act), Equity Trustees can deny or suspend a withdrawal request and you may not be able to withdraw your funds in the usual processing times or at all. When the Fund is not liquid, an investor can only withdraw when Equity Trustees makes a withdrawal offer to investors in accordance with the Corporations Act. Equity Trustees is not obliged to make such offers.

If you are an Indirect Investor, you need to provide your withdrawal request directly to your IDPS Operator. The time to process a withdrawal request will depend on the particular IDPS Operator and the terms of the IDPS.

UNIT PRICING DISCRETIONS POLICY

Equity Trustees has developed a formal written policy in relation to the guidelines and relevant factors taken into account when exercising any discretion in calculating unit prices (including determining the value of the assets and liabilities). A copy of the policy and, where applicable and to the extent required, any other relevant documents in relation to the policy will be made available free of charge on request.

ADDITIONAL INFORMATION

If and when the Fund has 100 or more direct investors, it will be classified by the Corporations Act as a 'disclosing entity'. As a disclosing entity, the Fund will be subject to regular reporting and disclosure obligations. Investors would then have a right to obtain a copy, free of charge, of any of the following documents:

- the most recent annual financial report lodged with ASIC ("Annual Report");
- any subsequent half yearly financial report lodged with ASIC after the lodgement of the Annual Report; and
- any continuous disclosure notices lodged with ASIC after the Annual Report but before the date of this PDS.

Equity Trustees will comply with any continuous disclosure obligation by lodging documents with ASIC as and when required.

6. Fees and costs

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns. For example, total annual fees and costs of 2% of your investment balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the Australian Securities and Investments Commission (ASIC) Moneysmart website (www.moneysmart.gov.au) has a managed funds fee calculator to help you check out different fee options.

The information in the following Fees and Costs Summary can be used to compare costs between different simple managed investment schemes. Fees and costs may be paid directly from an investor’s account or deducted from investment returns. For information on tax please see Section 7 of this PDS.

ADDITIONAL EXPLANATION OF FEES AND COSTS

Management fees and costs

The management fees and costs include amounts payable for administering and operating the Fund, investing the assets of the Fund, expenses and reimbursements in relation to the Fund and indirect costs if applicable.

Management fees and costs do not include performance fees or transaction costs, which are disclosed separately.

The management fees component of management fees and costs of 0.90% p.a. of the NAV of the Fund is payable to the Responsible Entity of the Fund for managing the assets and overseeing the operations of the Fund. The management fees component is accrued daily and paid from the Fund monthly in arrears and reflected in the unit price.

As at the date of this PDS, the management fees component covers all ordinary expenses such as Responsible Entity fees, investment management fees, custodian fees, and administration and audit fees.

Indirect costs

The indirect costs and other expenses component of 0.00% p.a. of the NAV of the Fund may include other ordinary expenses of operating the Fund, as well as management fees and costs (if any) arising from interposed vehicles in or through which the Fund invests. The indirect costs and other expenses component is variable and reflected in the unit price of the Fund as the relevant fees and costs are incurred. They are borne by investors, but they are not paid to the Responsible Entity or Investment Manager. The indirect costs and other expenses component is based on a reasonable estimate of the costs for the current financial year to date, adjusted to reflect a 12 month period.

In relation to the costs that have been estimated, they have been estimated on the basis of relevant information for a similar product offering in the market offered by the Investment Manager.

Actual indirect costs for the current and future years may differ. If in future there is an increase to indirect costs disclosed in this

PDS, updates will be provided on Equity Trustees' website at www.eqt.com.au/insto where they are not otherwise required to be disclosed to investors under law.

Transaction costs

In managing the assets of the Fund, the Fund may incur transaction costs such as brokerage, buy-sell spreads in respect of the underlying investments of the Fund, settlement costs, clearing costs and applicable stamp duty when assets are bought and sold. Transaction costs also include costs incurred by interposed vehicles in which the Fund invests (if any), that would have been transaction costs if they had been incurred by the Fund itself. Transaction costs are an additional cost to the investor where they are not recovered by the Buy/Sell Spread, and are generally incurred when the assets of the Fund are changed in connection with day-to-day trading or when there are applications or withdrawals which cause net cash flows into or out of the Fund.

Buy/Sell Spread

The Buy/Sell Spread that is disclosed in the Fees and Costs Summary is a reasonable estimate of transaction costs that the Fund will incur when buying or selling assets of the Fund. These costs are an additional cost to the investor but are incorporated into the unit price and arise when investing application monies and funding withdrawals from the Fund and are not separately charged to the investor. The Buy Spread is paid into the Fund as part of an application and the Sell Spread is left in the Fund as part of a redemption and not paid to Equity Trustees or the Investment Manager. The estimated Buy/Sell Spread is 0.20% upon entry and 0.20% upon exit. The dollar value of these costs based on an application or a withdrawal of \$20,000 is \$40 for each individual transaction. The Buy/Sell Spread can be altered by the Responsible Entity at any time and www.eqt.com.au/insto will be updated as soon as practicable to reflect any change. The Responsible Entity may also waive the Buy/Sell Spread in part or in full at its discretion. The transaction costs figure in the Fees and Costs Summary is shown net of any amount recovered by the Buy/Sell Spread charged by the Responsible Entity.

Transaction costs generally arise through the day-to-day trading of the Fund's assets and are reflected in the Fund's unit price as an additional cost to the investor, as and when they are incurred.

The gross transaction costs for the Fund are 0.15% p.a. of the NAV of the Fund, which is based on a reasonable estimate of the costs for the current financial year to date, adjusted to reflect a 12 month period.

In relation to the costs that have been estimated, they have been estimated on the basis of relevant information for a similar product offering in the market offered by the Investment Manager.

However, actual transaction costs for future years may differ.

Can the fees change?

Yes, all fees can change without investor consent, subject to the maximum fee amounts specified in the Constitution. The current maximum management fee to which Equity Trustees is entitled is 3% of the NAV of the Fund. However, Equity Trustees does not intend to charge that amount and will generally provide investors with at least 30 days' notice of any proposed increase to the management fees component of management fees and costs. In most circumstances, the Constitution defines the maximum level that can be charged for fees described in this PDS. Equity Trustees also has the

right to recover all reasonable expenses incurred in relation to the proper performance of its duties in managing the Fund and as such these expenses may increase or decrease accordingly, without notice.

Payments to IDPS Operators

Subject to the law, annual payments may be made to some IDPS Operators because they offer the Fund on their investment menus. Product access is paid by the Investment Manager out of its investment management fee and is not an additional cost to the investor.

Differential fees

The Investment Manager may from time to time negotiate a different fee arrangement (by way of a rebate or waiver of fees) with certain investors who are Australian Wholesale Clients. Please contact the Investment Manager on +613 9660 2600 for further information.

EXAMPLE OF ANNUAL FEES AND COSTS FOR AN INVESTMENT OPTION

This table gives an example of how the ongoing annual fees and costs in the investment option for this product can affect your investment over a 1-year period. You should use this table to compare this product with other products offered by managed investment schemes.

Example – Cooper Investors Australian Equities Fund – Retail Class

BALANCE OF \$50,000 WITH A CONTRIBUTION OF \$5,000 DURING THE YEAR

| | | |
|---|----------------|---|
| Contribution Fees | Nil | For every additional \$5,000 you put in, you will be charged \$0. |
| Plus Management fees and costs | 0.90% p.a. | And , for every \$50,000 you have in the Cooper Investors Australian Equities Fund – Retail Class you will be charged or have deducted from your investment \$450 each year |
| Plus Performance fees | Not applicable | And , you will be charged or have deducted from your investment \$0 in performance fees each year. |
| Transaction costs | 0.11% p.a. | And , you will be charged or have deducted from your investment \$55 in transaction costs |
| Equals Cost of Cooper Investors Australian Equities Fund – Retail Class | | If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, then you would be charged fees of: \$505* What it costs you will depend on the investment option you choose and the fees you negotiate. |

*Additional fees may apply. Please note that this example does not capture all the fees and costs that may apply to you such as the Buy/Sell Spread. This example assumes the \$5,000 contribution occurs at the end of the first year, therefore the fees and costs are calculated using the \$50,000 balance only.

Warning: If you have consulted a financial adviser, you may pay additional fees. You should refer to the Statement of Advice or Financial Services Guide provided by your financial adviser in which details of the fees are set out.

ASIC provides a fee calculator on www.moneysmart.gov.au,

which you may use to calculate the effects of fees and costs on account balances.

The indirect costs and other expenses component of management fees and costs and transaction costs may also be based on estimates. As a result, the total fees and costs that you are charged may differ from the figures shown in the table.

7. How managed investment schemes are taxed

Warning: Investing in a registered managed investment scheme (such as the Fund) is likely to have tax consequences. You are strongly advised to seek your own professional tax advice about the applicable Australian tax (including income tax, GST and duty) consequences and, if appropriate, foreign tax consequences which may apply to you based on your particular circumstances before investing in the Fund.

The Fund is an Australian resident for tax purposes and does not pay tax on behalf of its investors. Australian resident investors are assessed for tax on any income and capital gains generated by the Fund to which they become presently entitled or, where the Fund has made a choice to be an Attribution Managed Investment Trust ("AMIT") and the choice is effective for the income year, are attributed to them.

8. TAX DECLARATION (FATCA AND CRS)

IMPORTANT: Failure to complete this section will result in your application being rejected.

The certification is being used to comply with the U.S. Foreign Account Tax Compliance Act (FATCA) and OECD Common Reporting Standards (CRS).

Australia is a participant in the Automatic Exchange of Information (AEOI) regime concerning the automatic exchange of financial account information with foreign jurisdictions. The regime aims to address tax evasion at a global level. The relevant laws are the Foreign Account Tax Compliance Act (FATCA) in the case of exchange by Australia with the United States of America (U.S.) and the Common Reporting Standard (Standard) in the case of exchange by Australia with other countries that have implemented the Standard. The Standard commenced operation in Australia on 1 July 2017.

The Foreign Account Tax Compliance Act (FATCA) relates to US taxpayers and the Common Reporting Standard (CRS) is a broader framework for the exchange of financial account information between jurisdictions relating to all non-Australian taxpayers.

To comply with FATCA and CRS, as a financial institution, we must collect information about your tax status before opening your account. In some cases, this information will need to be reported to the Australian Taxation Office who may then pass this information to tax authorities in other jurisdictions. Please note that if you do not complete this section, we may not be able to process your application.

Further information about this regime is available at the website URL shown below:

<https://www.ato.gov.au/General/International-tax-agreements/In-detail/International-arrangements/Automatic-exchange-of-information---CRS-and-FATCA/>

As a result of Australia's participation in the regime applicants must certify their country of tax residency. Where required the information will be reported to the Australian Taxation Office (ATO) which will report to various global tax authorities.

If you are unable to complete this form, please seek appropriate advice relating to the tax information required.
